

20th Annual

VerShare SNOWSHOE-A-THON

**Our community's annual snowshoe-a-thon will happen on
Saturday, March 4th, 2017!**

This amazing event celebrates intergenerational support for the children of Vershire, and neighboring towns, by contributing to the VerShare Children's Activity Fund.

This fund is one of the major funding sources for the VerShare Community Camp. Each summer about 75 children & teens from Vershire & beyond benefit from the experience of this enriching summer camp, which we are committed to keeping FREE FOR ALL KIDS!

The VerShare Children's Activity Fund also offers enrichment opportunities year round to Vershire children through the Library's "Van Trips". Our local kids have been able to travel to many fun & educational sites that they may never have experienced otherwise.

We are writing to ask that you consider a donation as a SNOW ANGEL this year.

Snow Angels may make either a fixed donation or a per-child donation. If you pledge per child, VerShare will let you know following the event how many children participated so you can fulfill your pledge. On average, about 100 children participate, so a pledge of 25cents/child = \$25, \$1/child = \$100, \$2/child = \$200, and so on.

In honor of the 20th Annual snowshoe-a-thon,

**Snow Angel Donors will receive a commemorative snowflake ornament
crafted by local artisan and VerShare Board-member Deb Churchill.**

On behalf of the children of Vershire, the VerShare Board, and summer camp-

THANK YOU FOR YOUR SUPPORT AND FOR YOUR COMMUNITY SPIRIT!

Each Snow Angel donation gives children incentive to participate, gives them pride in their ability to fundraise & contribute, & boosts the overall funds raised.

☺ Your support truly makes a difference! ☺
